

Wynoochee Road, Phase III

Project Status:

This week, Rognlin's completed the riprap ditch, built embankments, and imported crushed rock for the roadway surface. The schedule for next week includes asphalt paving and pavement markings, depending on good weather. After paving is completed, the old roadway will be removed.

Traffic Impacts:

Expect delays up to 30-minute from 8:00 am to 6:00 pm Monday – Friday.

Safety Alert:

Be aware of loose gravel in the roadway. Watch for trucks hauling gravel and asphalt to the work site. Always follow the directions given by Flaggers, and watch for equipment and workers on the roadside.

Upcoming Work:

August 25-29, 2014:

Work will include asphalt paving and pavement markings if the weather is good, followed by removal of the old roadway.
